

# Ad Space Available on the only billboard in West Bloomfield!

The West Bloomfield High School band programs are offering their well-placed equipment trailer as a dynamic and eye-catching mobile billboard to advertise your local business.

The trailer is most often parked just 50 feet from heavily-travelled Orchard Lake Road where thousands of residents commute every day.

We can custom design your full-color ad or use one that you provide.

Your ad will be printed on a heavy-duty decal for the trailer and will also be featured in our concert band programs, invitational programs and with a link on our [wbbands.info](http://wbbands.info) website.

You can feel good knowing that your advertising dollars are not only promoting your business to residents, commuters, students and teachers, but benefitting a worthy educational program that needs contributions to continue thriving. By advertising on the West Bloomfield band trailer, you tell potential customers that you are invested in your community.

2'x1' ad: \$550/year OR \$1000 for 2 years

4'x2' ad: \$950/year OR \$1500 for 2 years
