Meals: Meals will be provided beginning at lunch on Monday through dinner on Friday. All meals are all-you-can-eat. Students with special dietary needs must contact Ruth Richards with those restrictions at least two weeks prior to camp. No food may be consumed on the buses on the way to camp.

Refillable Water Bottle: Please be sure to bring a refillable water bottle to camp. It is very easy to become dehydrated while marching outdoors all day. The students need to be sure to fill and use their water bottles.

Cabin Assignments: You will receive cabin assignments at band camp. All of your personal belongings and equipment will be kept in that room. There will be adult chaperones in the cabins. Each cabin has restrooms and showers.

Medical: Please turn in any medication that is not to be self-administered at Monday morning check-in. For safety reasons all medication must be in its original container in a ziploc bag marked with the student's name. Controlled substances may not be self-administered. In case of injuries or illnesses that require attention, a parent will be called, as we are not allowed to transport students. 911 will be called as deemed necessary.

Swimming: There is a lake on the premises with a lifeguard on duty.

Luggage: Please restrict your belongings to three pieces: One suitcase, a sleeping bag, and your instrument. We will have limited space to transport the luggage. Remember to tag **ALL** items with your name.

Conduct:

Remember that we are guests at the camp and that you represent not only yourself, but also the band, the school, and the community of West Bloomfield. The school code of conduct applies while at camp. *Students who are found outside of their room between the hours of 11:30 pm and 6:00 am or who are found in possession of tobacco products, alcohol, or other controlled substances will be immediately dismissed from camp and their parents will be required to pick them up.* Further disciplinary action will be taken as deemed necessary by the band director and administration in accordance with school board policy.
